HOW OUR RATING SYSTEM WORKS

UNACCEPTABLE

Very bad quality. Facilities and services are not acceptable. Requires major improvements to bring this resort up to standard.

BASIC

Basic quality. Definitely requires additional improvements before reaching an acceptable standard.

GOOD

A good and acceptable quality noted in the overall standard. Minor improvements may still be needed.

EXCELLENT

A very good quality in the overall standard. Almost no improvements are necessary.

OUTSTANDING

Brilliant quality where the resort has exceeded the expectations of the visitor by going beyond the call of duty.
